Subject: Small Business Enterprise Certification Approval

Dear Mr. Allis:

Your application for certification as a Small Business Enterprise (SBE) with the Regional Transportation District (RTD) has been approved. Pursuant to RTD's SBE program policies and procedures, Techno Rescue, LLC is certified as a Category 1 SBE.

Your company will be listed in the next update of RTD's SBE Directory. RTD staff use the directory as an outreach source for suppliers, contractors, and consultants as required. Based on the information you provided, your company will be listed with the following NIGP Code(s):

Specialty	
926-77	Recycling Services
958-05	Asset Management Services

This certification is valid through November 30, 2020, however, eligibility must be reviewed annually. Forty-five (45) days prior to the anniversary date, RTD will send you a reminder to submit a Change/No Change Affidavit and a Personal Financial Statement. Failure to submit the Change/No Change Affidavit by the firm's anniversary may result in decertification and removal from RTD's SBE Directory. If there are any changes in the firm's ownership, control, legal structure, work performed, or contact information, you must notify the Small Business Office in writing immediately.

Certified SBEs are eligible to participate in non-federally funded contracting opportunities with SBE participation requirements. Certification does not guarantee contracts with RTD; certified firms must market themselves to RTD and prime contractors for prime and subcontracting opportunities.

RTD reserves the right to withdraw certification if it determines that certification was knowingly obtained by false, misleading, or incorrect information. RTD also reserves the right to request additional information and/or to conduct an on-site visit or a more thorough review anytime during the term of this certification period.

Please visit the Business Center at [www.rtd-denver.com](http://www.rtd-denver.com) for information on doing business with RTD and to find resources available to small businesses. We welcome your participation in our SBE program and wish you every success. If you have questions, please contact the Small Business Office at 303-299-2126.

Sincerely,
